1. 2. Discuss Data gateway/school report card

a. <https://utahschoolgrades.schools.utah.gov/>

- i. Focus on growth, not proficiency
- ii. The goal was to grow by 1%
- iii. Score is up to a C, we have seen improvement. It takes time.
- iv. Attendance was low last year, hopeful that goes up this year.
- v. As we see growth we are going to see improvement.
- vi. Students who may decide to opt out equals a score of 1.
 1. Loni asks a question about rigor in the school being at the appropriate level. - We should be teaching the standards. The higher students are reaching 3s and 4s so the higher level students are still learning up to their level to be able to reach the

3s and 4s. Co-Teaching and help from aids has also been a help with this.

3. Review of Trustland plan discuss adjustments that need to be made

4. Student Success Plan

TSSA Plan - Added we are using a universal speech Rubric in all of our classes. The students need to have a speech experience in front of their class. We are still part of A2A+ this year.

5. Emergency Response Plan (Safety Plan)

We do have to have some sort of reunification plan, it can be onsite or offsite. Students who drive still have to be either signed out or picked up by a parent or guardian (listed on the emergency contact at the school.) As of now the site is the community church's new big building. We have a box with supplies in it ready to go.
